We know you are busy and your time is valuable. We want you to be able to drop off your items when it is convenient for you. So we have a wonderful system for established consignors. It's called

### **Drop & Run**

Drop off your items anytime and be on your way! We will go through your items and have them uploaded to [www.myresaleweb.com](http://www.myresaleweb.com) within 3-5 days\*. This means you don't have to wait plus we will be able to be thorough and provide you with the best possible return on your items.

### **How To Do It:**

It's simple! Label the container (i.e. tote, bin, bag) you bring your items in with your name and consignment number. Head to our consignment drop off area where you will find everything you need. Fill out your drop and run slip and take your copy. If there are any items we are unable to sell for you, we can donate them directly to charity. If you want any "No, thank you's" back there will be a pick up day provided for you - we don't have a lot of storage space though, so be sure to return promptly for those items or they will be donated. Check [www.myresaleweb.com](http://www.myresaleweb.com) or call the store ahead to see if there's anything to be returned to you. Please note that during busy drop off seasons there may be a delay in getting your items entered. We will let you know an approximate time frame to expect your items to be put in our system.

### **Thank you!**

Drop & Run lets us get your items on the selling floor without taking up any of your time. It means you can drop off consignments whenever you want, without prior planning. We look forward to seeing you the next time your kids have a growth spurt!
